

# Assembly Instruction

## Accessories

## ⚠ Note:

- ① Please read the user manual carefully to learn about the precautions during the installation and maintenance of furniture.
- ② Please strictly follow this assembly instruction for installation
- ③ Please double check the package to make sure the parts and accessories are intact
- ④ Please assembly the table on the package box to avoid damage to furniture and floor
- ⑤ Please use a rag or slightly damp cloth to gently wipe clean it, and do not scrub hard
- ⑥ Please confirm the model of various accessories before assembling as mismatched accessories may cause damage to the product

Installation Completed

## Installation

1. Connect the bar and the board with short screws

2. Attach one side support to the board with long screws

3. Attach the other side support to the board with long screws

4. Fix the frame on top of the side supports with the grooves upward

5. Stick the spacer pieces on the 4 corners of the frame
